

Adigun John Olayinka

Proactive

Lagos, GU

-Email me on Indeed: <http://www.indeed.com/r/Adigun-John-Olayinka/b1b6e3bf8f934892>

Am multitask person, that can move like a monkey on the tree, bilingual (English and French) with HND in computer What a good combination, motivated, trust, reliable, ready to work at any point of time, also with Customer service and Telemarketing

Work Experience

Truck Driver/Truck van driver/Uber driver

Private/Uber/Moove/Apostolic faith - Lagos/Nig

March 2006 to Present

I started with mu Church truck to carry load to Camp meeting , to some especial air service, later joining Uber for 7 years, presently am working under Moove company as logistic and personal driver, I work with metallic construction company as casual truck driver. Well experienced bilingual French and English with a higher Diploma in Computer science professional, also Haven customer.er service oriented certificate. I believed with all my twenty five years of experience am feet for the job.

I will be very glad, in the sequence interview, to drop more of a showcase experience.

Best Regard

Adigun John Olayinka
