

Chidi Ekechukwu

Lagos, GU

-Email me on Indeed: <http://www.indeed.com/r/Chidi-Ekechukwu/a09ec6199d471798>

I am a result-oriented I.T/ banking professional with experience in database management, data report, core banking application operations/user support and project management. I have the ability to take the managerial lead in projects and supporting technical implementation while working on multiple products. I am currently working in a demanding production support environment, managing large volumes of business critical data. I am a committed team player, self-motivated with the ability to communicate at all levels.

Willing to relocate: Anywhere
