SOFTWARE DEVELOPER - SIMPLEPAY LTD

Lagos, GU

-Email me on Indeed: <http://www.indeed.com/r/Daniel-Omeiza/1fa9e34edacb8b60>

I have 3+ year experience in software development. At VisualData Nigeria, I applied my skills in data analytics to develop software that presents government data for public consumption. The project has incredibly increased government transparency in funds appropriation. I built a solution to assist the physically challenged to communicate using eye gesture by analyzing data from brain-waves. I am willing to apply my tech skills in moving your company forward.
